SPECIAL TELECONFERENCE NOTICE

Pursuant to Executive Order N-29-20:

The Brown Act, Government Code Section 54953, contains special requirements that apply when members of a legislative body participate in a public meeting by telephone. Certain of these requirements have been suspended by Paragraph 3 of Executive Order N-29-20, executed by the Governor of California on March 17, 2020 to mitigate the spread of the coronavirus known as COVID-19. In particular, the Executive Order suspends that provision of the Brown Act that requires noticing, posting of agendas, and public access to each location where a member will be participating telephonically, as well as provisions that require physical presence of members of the legislative body or the public for purposes of a quorum or to hold a meeting. Executive Order N-29-20 allows an agency to conduct a teleconference meeting that provides members of the public telephonic or other electronic participation in place of making a physical location for the public to observe the meeting and provide public comment, consistent with other provisions of the Brown Act.

Action: Lodi Improvement Committee will 1) Receive update from staff on the CDBG-EN 2021-22 Annual Action Plan; 2) receive an update from staff on CDBG-CV; 3) provide updates on progress towards meeting its goals and activities.

CDBG Background:

The City of Lodi solicited and received applications from community-based organizations for the 2021-22 Annual Action Plan (AAP), which is funded by Community Development Block Grant (CDBG) entitlement program. The City anticipates receiving a 2021-22 CDBG grant award of approximately \$668,918. The U.S. Department of Housing and Urban Development (HUD) announced the actual amount of funding in March of 2021 and updated it May 2021. Eligible organizations are limited to nonprofits and local government entities. If awarded, funds are anticipated to be available on July 1, 2021, and projects must be completed by June 30, 2022.

CDBG-EN - 2021-2022 Annual Action Plan Process

The applications were made available on Wednesday, December 16, 2020, and were due Friday, January 29, 2021. The City received seven applications for social services activities and four applications for capital improvement activities. City and consultant staff conducted preliminary reviews of these applications for completeness and eligibility, as well as, scoring. Upon completion of this preliminary review, the City provided the applications to the Committee for them to review and conduct preliminary scoring. At the Committee's March 9 meeting, the Committee reviewed and discussed applications; heard public comment and finalized scores. The Committee made recommendations for award allocations presented to the City Council for the Council's consideration on April 21, 2021 and approved on May 5, 2021.

Schedule

The 2021-2022 AAP is due to HUD by May 15, 2021.

The following process has been completed for the 2021-22 AAP cycle:

- January – potential applicants provide presentations and answer questions at regular LIC meeting
- January – applications due and City reviews for completeness and eligibility
- February – Committee members receive applications to review and preliminary scores
- March 9th – vote on final scores and allocations at regularly scheduled LIC meeting
- April 6th – draft AAP released to public for 30-day public review

- May 5th – present final AAP to City Council for approval
- May 15th – Turned in final AAP to HUD (Including revised amount)

City’s CDBG Allocation Policies and Practices:

City Council policy states that 60 percent of awarded CDBG funds will be allocated to City-sponsored projects, and that the remaining 40 percent will go toward community-based organizations (CBO). City-sponsored projects also receive priority ranking over CBO projects. The Lodi Improvement Committee performs scoring for CBO projects only. Furthermore, HUD guidelines limit public services activities to 15 percent of the total grant amount and administrative activities to 20 percent of the total grant amount.

Based on the anticipated \$659,204 allocation, the distribution of funds will be as follows:

- Administration \$131,841 (20% Cap)
- Public Service \$98,880 (15% Cap)
- Capital Projects \$428,483
 - o Total: \$659,204
- Revised Amount \$9,714
 - o Total: \$668,918

CDBG-CV Applications for Funding

HUD has recently allocated additional funds to jurisdictions across the Country in an effort to help better respond to immediate needs resulting from the COVID-19 pandemic. As a result, the City of Lodi could receive approximately \$796,408 in additional Community Development Block Grant – COVID Response (CDBG-CV) funds. Funds can be used to prevent, prepare for, and respond to Coronavirus impact.

Social Services

The City of Lodi solicited social services applications for its Coronavirus Aid, Relief, and Economic Security Act (CARES Act) CDBG (CDBG-CV) program. Eligible organizations are limited to nonprofits and local government entities. In January, City and consultant staff received and scored applications, and awarded approximately \$637,000 in grant dollars to Lodi social service providers to assist Lodi residents with the following assistance:

1. Emergency Rental Assistance
2. Landlord-Tenant Mediation Services
3. Basic Needs Assistance (Food, Diapers, Childcare, etc.)
4. Technology Improvements

City and consultant staff have prepared grant agreements and have finalized with Subrecipients.

Small Business Assistance

The City of Lodi started its Small Business Assistance Program in December, which provides grant dollars to those Lodi businesses impacted by COVID-19. The City has received approximately 68 requests for assistance and award amounts have been announced. City and consultant staff have prepared grant agreements and have finalized with Subrecipients. Payments to be issued by the end of this month.
