The Community Development Block Grant (CDBG) is a federal grant program administered by the U.S. Department of Housing and Urban Development (HUD). The grant program provides communities with funds for public facility improvements, social services, economic development, affordable housing, fair housing, and other neighborhood improvements.

The Citizen Participation Plan requires the City to provide residents, public agencies, and other interested parties with reasonable and timely access to information and records relating to the CDBG program. The Second Amendment to the Citizen Participation Plan will streamline certain requirements to reduce administrative burden on the City.

**The Second Amendment to the Citizen Participation Plan is available for public review and comment for 30 days starting August 17, 2021 and ending September 15, 2021.**

The 2020-2021 CAPER describes the projects and activities undergone during the 2020-21 CDBG program year, in which the City received \$647,179 in Federal CDBG funds. The community is invited to review and comment on the 2020-21 CAPER, which reports on the expenditures and accomplishments of the projects undergone in the 2020-21 CDBG program year.

**The 2020-21 CAPER is available for public review and comment for 15 days starting September 1, 2021 and ending September 15, 2021.**

These documents will be available at the City's Community Development website for public review at <http://www.lodi.gov/183/Community-Development-Block-Grant-Progra>
